Bouten M3*14

Elastiekjes

## Haal deze materialen uit Pack ②

Bouten M3*20

Klinknagel

Mini vliegtuig houten plank

① 
**Tips**

Gebruik het meegeleverde schuurpapier om de houten figuren glad te schuren voordat je begint met de installatie.

② 

③ 
④ 
⑤ 
⑥ 
⑦ 

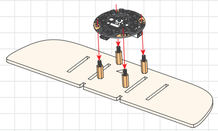
⑧ 

⑨ 

⑩ Installeer de Halocode zoals hieronder aangegeven.

**Tips**

Zorg ervoor dat de pijl op de halocode in dezelfde richting wijst als het driehoeksbord.



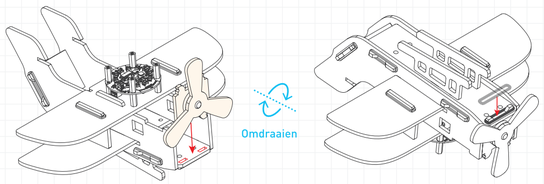
⑪ 

⑫ 
⑬ 

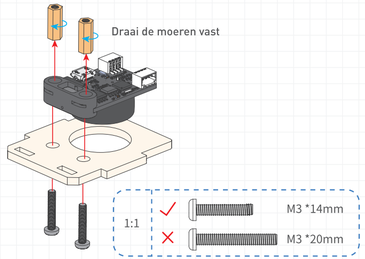
**Tips**

Om de klinknagel te verwijderen, kunt u de sleutel gebruiken om tegen het midden van de klinknagel te drukken en de sleutel te duwen.

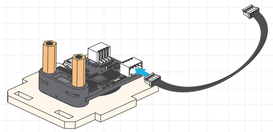
14



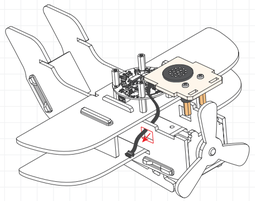
15



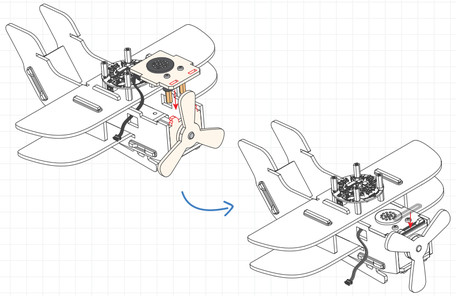
16



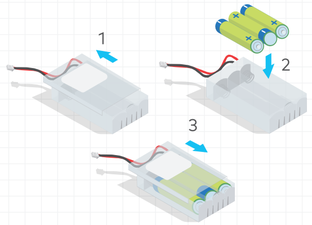
17 Steek het andere uiteinde van de aansluitkabel door het rode gat, zoals afgebeeld.



18

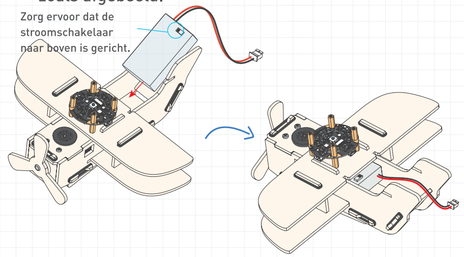


19

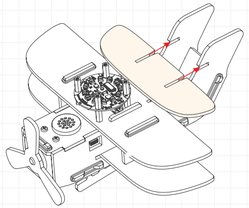


20 Duw de batterijhouder in de staart zoals afgebeeld.

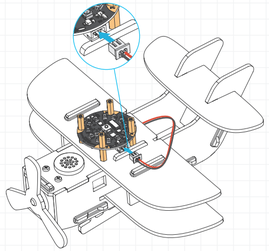
Zorg ervoor dat de stroomschakelaar naar boven is gericht.



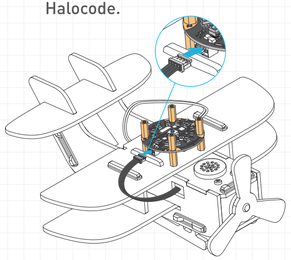
21



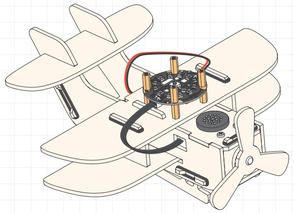
22 Sluit de batterijhouder aan op de Halocode



23 Sluit de speaker aan op de Halocode.



24 Geweldig. Het mini vliegtuig is klaar!



25 Ga nu terug naar mBlock op je PC of iPad en programmeer je project.
